Section 1 – Annual Governance Statement (4)

Point 4 has been ticked as ‘no’. Also ticked as ‘no’ on the AIAR.

The Ockley Parish Council Clerk/RFO who submitted all the accounts for year end 31 March 2025 completed the incorrect form regarding the Exercise of Electors’ Rights. The form that was completed stated that it was not to be published on the website.

To note: Ockley Parish Council has a small number of electors. They are always made aware that accounts can be inspected even though for the year in question this was not carried out as it should have been.
